WHAT PARENTS CAN DO

WATCH for signs that your child may be being bullied /harassed e.g.

- Is unwilling to go to school.
- Becomes withdrawn, anxious or lacking in confidence.
- Feels sick in the morning
- Has possessions go "missing"
- Asks for money or steals money
- Has unexplained cuts or bruises.

TALK with your child about your concerns and **LISTEN** calmly to your child.

IF POSSIBLE, first allow your child to report the situation and deal with it.

AVOID blaming your child for the bullying/harassment.

DISCOURAGE any planned retaliation; rather discuss positive strategies they can use.

REPORT any cases of bullying/harassment even if your child is not directly involved or affected. Find out what happened, who was involved, where it happened, if anyone else saw it.

DO NOT deal directly with the other children or their parents but work through and with the school.

If you have tried these suggestions, including working with the school and your child is still being bullied or harassed, contact The Parent Complaint Unit 1800677435.
