

## RENMARK WEST STUDENT DRESS CODE GUIDELINES PREAMBLE

The wearing of school uniform is actively encouraged and strongly supported by staff, students, parents and the community.

It is an expectation that all students will comply with these guidelines.

In developing these guidelines the importance of the following were taken into account:

- (a) Safety issues
- (b) Cultural sensitivity
- (c) Modesty and discreetness
- (d) What is relevant for children today?

Uniform items may be purchased from *Tri-State Graphics* in Renmark.

Renmark West Primary School is proud to be identified by the colours bottle green, gold and white. Clothing in these colours can also be bought from other local outlets.

Second-hand uniforms are able to be purchased from the school. A small donation can be made for these items.
