Birthday BEDMAS

Over the past few weeks our class has been looking at order of operations, or BEDMAS in maths. This is not only an important part of the curriculum, but is also part of collaborative moderation with other schools throughout the Riverland.

Year 7

Birthday BEDMAS proved very popular with the students. The Success Criteria for this task was to come up with an

operation which used the numbers in their date of birth to create an equation which equalled each day of the month. The students were very successful in this unit of work and were quickly outsmarting their teacher with the complex and creative operations they came up with. When asked why they liked this unit of work one student replied by saying 'it is interesting, relevant and fun!'

We look forward to sharing some of the students learning as part of our collaborative moderation in Term 2.

Dear Parents and Friends of Renmark West,

Last Day of Term 1

A reminder that school will be dismissed at 2.05 pm on the last day of term.

Students are permitted to wear casual clothes on the last day. (No gold coin donation necessary)

We hope all our families enjoy the 2 week break between Term 1 and Term 2 and that our students return to school refreshed and ready for learning in Term 2.

World of Maths

We have a group coming to school on Thursday to present an interactive maths and problem solving display to our students.

The cost of participating in the World of Maths is \$4 per student.

We have had this presentation previously and it was very well received by our students and teachers.

If you have not returned the note and the \$4 please do so by Thursday morning so that your child can participate.

Year 7 Class

Neville Marks will be team teaching with James Paterson from the start of Term 2. Christina Eustice will be returning to the counsellor role but will not pick up the classroom role for the rest of this year.

NAPLAN

NAPLAN will be conducted in week 3 of Term 2. All year 3, year 5 and year 7 students will be involved in the NAPLAN testing.

SRC Buddy Benches

The SRC have negotiated with Bunnings to provide 2 buddy benches. The buddy benches are brightly painted and will be placed around the school next term.

Students who do not have anyone to play with and are feeling lonely can sit on the buddy benches and one of our lunchtime buddies will come and find them someone to play with.

This initiative will be launched in Term 2.

Library News

Mrs Andt read this book and said that "Wonder" is a book that the reader doesn't want to end. It is funny, sad but mostly uplifting. "Wonder" has a strong message for us all about how we, as humans, should treat each other.
