### SPORTS DAY THURSDAY MAY 24th 2018

Preparations are under way for the Annual Sports Day. The committee met last term and have determined the same format as last year.

Junior primary students will remain at Renmark West in the morning and then bus to the high school for lunch on the high school oval and the afternoon events.

This enables our Junior Primary children to have fun events at school while our primary students concentrate on the athletics events and for some selection for the district sports day. Students born between 2005 and 2010 will be involved in the morning events at Renmark High School.

We will be asking for parental help with the athletic events run from 10am-12.30pm. A roster will be made available next week.

The school community, students, parents and caregivers have the opportunity to order a Subway Lunch for Sports Day.

Order envelopes will be made available soon.

Cost is \$7.50 which includes a sub, fruit and drink.

The Fund Raising committee will make available tea, coffee and finger buns during the day.

Please do not hesitate to contact me for any further information.

### BOOK REVIEW

### "DON'T LOOK NOW"

By Paul Jennings

Don't Look Now is a series of books in the library that are really funny. These books are about a boy named Ricky who can fly. Only when people are not looking. He gets into a lot of trouble because if someone sees him he will fall to the ground.

## SAPSASA NEWS-2018

Wow the Riverland Softballers did so well in Adelaide in the last week of term. The boys won Gold and the girls Bronze. With an amazing group of students and extremely helpful parents, the Carnival ran very smoothly. Already notes have been sent out for the Cross Country Carnival being held at Martin's Bend this Friday. The carnival is held for those students who have been training for the event and not as a come and try day. Students must be able to complete the distances in a required time to compete. A nomination form has been posted in classrooms for the Hockey Carnival being held at Glassey Park on Friday 11th May. Kacey Wickham has kindly offered to assist with coaching the teams. Those students eligible for the Hockey Trials have been given the relevant information for the trials beginning this Saturday 5th May.

Please return all forms promptly as this helps with the speedy process in organising transport and the teams.
